**Be careful then, dear brothers and sisters. Make sure that your own hearts are not evil and unbelieving, turning you away from the living God. Hebrews 3:12 (NLT)**

Second graders started the New Year by reading "One Word for Kids" and then discussed areas in their lives they want God to help them improve in 2024. They brainstormed words and then looked up some of those words in the dictionary. Each student selected one word and they will pray throughout 2024 for God to help them grow in that area for His glory! Some of the words they chose are honesty, trustworthy, peace, kindness, obedience, etc. (They love the dictionaries so much that they want to read them every day 😊 )
